### **Letter of Motivation**

Dear Sir/Madam,

I am **Name**, a \_\_\_\_\_country resident, willing to pursue an advanced academic program from Germany. This brief statement of purpose explains my academic background, career objectives and justifies my intentions to visit Germany. I have completed my Masters in Zoology. To streamline my profile and to attain great career growth, I look forward to obtaining a master's degree in Molecular Biology from one of the reputed Colleges in your country, which I am sure will enhance my career growth and conceptual knowledge.

Thus, I have decided to pursue Msc Molecular Biology from \_\_\_\_\_ College, Germany and the program is taught in English. I have researched the career outcomes after successful completion of this program. Besides, the University has already provided me with an offer letter.

I have been a studious student right from my childhood. After the successful completion of my schooling, I joined \_\_\_\_\_ College, \_\_\_\_\_ (place) for my bachelors in Zoology and secured a CGPA of \_\_\_\_\_. Later I did my post graduation in Zoology from \_\_\_\_\_ College, \_\_\_\_\_ (place) and secured a final grade of \_\_\_\_\_. My post graduate days introduced me to several advanced topics in Molecular Biology and the practical knowledge gained were an impetus to my professional career ahead. Apart from regular academics, I was also into extracurricular activities as well. With the active participation in school and college cultural events and sports meets, I got to learn numerous interpersonal skills and imbibe leadership qualities.

I am very keen to build my career in Molecular Biology, and that is my motivation to pursue yet another post graduation in Molecular Biology, for which I choose Germany as my study destination. I am impressed with Germany's hailed status as a pioneer in education and the academic excellence of German Universities and the quality of education delivered is incomparable. As a land of top 20 universities in the world, Germany is the best loved place for international students like me. I am impressed with the no tuition fees attitude of German public universities and the affordable living cost of this country motivated me to consider Germany for my higher education.

\_\_\_\_\_College is one of the top higher educational institutions in Germany. Ranked \_\_\_\_\_ in \_\_\_\_\_ Rankings, the quality of education of this university is unbeatable. I am really impressed with the overall educational environment at this university and the state of the art facilities of the university must receive special mention. Faculties are highly qualified and syllabuses are industry oriented.

It's after fulfilling necessary admission criteria, I got admission at \_\_\_\_\_ College. I am happy to say that my parents and I are in a good financial state to fund my studies and living expenses in Germany. We have a total annual income of \_\_\_\_\_. I have already paid my first year tuition fees at \_\_\_\_\_ College.

After the successful completion of course, I wish to fly back to my home country to start my career in research. With the advanced knowledge gained, I am sure I will be able to find a better designation.

I am grateful for the given opportunity and the time invested to review my motivation letter. I request you to kindly consider my application for the German Student Visa so that I can fulfill my dream and confirm admission at \_\_\_\_\_ College, Germany.

Thanking you
